

A Century of Football Excellence

Ladies and Gentlemen,

It is with great pleasure and satisfaction that I welcome you to the great family of Panathinaikos sporting group, the most historic and decorated Greek team with a one hundred year history and countless victories in all sports .

Panathinaikos has always been at the forefront within the area of football academies, providing facilities and sports programs equaling those of leading teams around the world.

The academies have trained a very large number footballers who have had successful professional careers. A typical example is the Greek national team's 2004 European Cup victory. Panathinaikos developed four (4) Footballers from its academies who were members of this victorious national team.

Through your induction into and the expansion of GFD USA, you become members of the large Panathinaikos family that is the heart that beats all over the world.

I wish you success, and I am sure that the involvement in the network will win you rich experience which will give you the opportunity to enjoy the sport and to develop your body and the spirit within you.

Thank you very much!

Ladies and Gentlemen,

With particular pride I welcome you to the great family of Green Football Development, the network of football academies which operate under the authority and auspices of Panathinaikos Football Club

The academy network is intended to help you all to grow in your physical and mental training within a single and organized training program and in accordance with the rules of play as well as to give the opportunity to those of you who excel to try-out for professional play within the infrastructure of Panathinaikos.

Through your induction into the program, you will win rich experiences. You are a part of and will continue to take part in very significant events; you will make new friends and you will now have the opportunity to make a major sporting career.

The ability and knowledge of the President of GFD USA Nikos Karidis and his staff guarantees for me and my colleagues the high level of service provided to ensuring respect and special attention you and the program will experience.

I wish you good sporting and progress toward a professional career, knowing that your engagement with football and Green Football Development will develop you into the best athletes and people in the area.

Thank you very much!
